Hello Dan,

We are moving forward with finalizing all of these SNURs. We expect these final rules to publish within the next 3-4 months, barring any unexpected delays.

Thanks,

Hello Daniel,

We are prepared to finalize the SNURs for the two P-17 PMNs subsequent to approval by Agency leadership. As you may be aware, a regulatory freeze has been issued to allow the new administration to review any new or pending rules. Unfortunately, I am not able to provide a timeline for finalization of the two P-18 SNURs. We are prioritizing the SNURs associated with 5(e) orders and will address the other SNURs from these batches at a later date.

Thanks,
Will
